Art Unit: 3729

Applicant's Response to the Office's Restriction Requirement (which Requirement was mailed on or about 18 September 2006 has been duly noted but is held to be non-persuasive for at least the following reason. Applicant merely urges that the according to the Office policy only if there would be a serious burden on the Office would it have been necessary for the Office to provide a Restriction. Applicant does not dispute the substantive matter of Office's Restriction. Applicant does not show by any meaningful evidence or facts that in the matter of Applicant's claimed invention that it would not be a serious burden on the Office to examine the claimed invention. The Office is in substantially better position to determine if any claimed invention would or would not be a serious burden on the Office. That being said it is held that since the Restriction is valid and is correct, that is the view of the Patent Office there is a serious burden on the Office with respect to Applicant's claimed invention the Restriction is hereby and now **made Final**.

Applicant is therefore required to cancel all non-elected claims or take other appropriate action.

An Office Action on the merits of claims 1-6.

This application is in condition for allowance except for the following formal matters:

Applicant is required to take action as outline hereinabove; moreover Applicant is requested to amend the Title of the invention to ---Method for Reducing Crosstalk on a Virtual PCB.

Art Unit: 3729

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
